Rise & Shine

Do you know that making your bed in their morning can increase your happiness and productivity? On a survey by Hunch.com, 71 percent of bed makers consider themselves happy; while 62 percent of non-bed-makers admit to being unhappy. This leads to one big responsibility to us; to make you do your simple but bothersome task less irritating.

To do so, our designers has worked at their hardest stage, to ensure your surroundings (in this case, your bedroom) to be such a looker. That way, you can smile while patting your bolster, knowing you've made the right decision in choosing your furnitures!

MATALA Swivel Chair

Matala Swivel Chair was honored the most innovative product on IFEX 2015, created by the (late) Irvan Noe'man. This product is truly inspired by the concept of smart living and smart office/working, creating balance and promoting harmony living. It transformed Indonesian traditional material into a product with contemporary design spirit. Combining the modern manufacturing process and delicate details from our local Indonesia craftsmen, has brought the real beauty and comfort to Matala.

A Remarkable Journey

Back in 2015 on the first launching of this MATA LA, it's really an honor for us to get a hand-signed from our President, Mr. Joko Widodo on our MATA LA Swivel Chair.

Mr. Jokowi strongly supports the rattan furniture industry in Indonesia so it can compete and be known in the wider market, especially internationally. And this spirit is also the motivation for VIVERE to continue to produce high quality rattan products together with local designers and craftsmen.
